

SECONDARY SOURCES

Organization of Information

Evaluating Research Tools

- What type of information does it contain?
- When would it be most helpful?
- How do you locate relevant information within the source (finding tools)?
- How do you update it? (How up-to-date is it?)

Major Types of Secondary Sources

- Legal Dictionaries
- Legal Encyclopedias
- Treatises
- American Law Reports
- Law Reviews
- Other Journals
- Restatements
- Current awareness

More practice-oriented secondary sources in the future...
