

Research Guide

Issue Selection

What makes a good issue

- Specific jurisdiction
(federal/state)
- NOT a yes or no answer
- Legal questions that have elements, or tests, or any discussion of acting reasonably

How to find an issue

- Not a hot topic – this is not a law review article
- Secondary sources – see what the practice-oriented literature says
- Annotated Statutes/Regulations – what is the bulk of the litigation about

Research Guide Evaluation

- Quality of the resources selected
- Evaluation of the particular source
- Organization and strategy recommended
- Searches and other efficient techniques

Please note that the number of pages and quantity of work are not part of the evaluation.
