

An abstract graphic on the left side of the slide. It features a dark purple, rounded rectangular shape. Inside this shape, there is a dark purple, three-dimensional geometric form that resembles a cube or a rectangular prism, tilted at an angle. A bright red sphere is balanced on top of the highest point of this geometric form. A thin, light purple arc curves across the top of the dark purple shape, passing behind the red sphere.

Upskilling & Micro-Credentials

Lifelong Learning with Benefits

Upskilling: Why It Might Be The Most Important Word In The Legal Lexicon

- Process of learning new skills
- Promise of new technologies only realized by a modernized workforce

Micro-Credentials

- Earning mini-degrees or certifications in a specific topic
- Badges do make a difference

Law-Related Options

- Procertas Legal Technology Assessment
 - Training, Assessment, and Badges
 - General office “technology” (Word Brief, Word Contract, Excel, Powerpoint)
 - New modules on Bluebook and coming soon on eDiscovery

Law-Related Options

- Westlaw On-Demand Learning (research certifications, transactional certification, etc.)
- Lexis certifications
- Bloomberg Law Skills Center

Prepare to Practice Certification

Preparing to practice goes beyond legal research.

- Understand the business of law, and the role research plays
- Utilize different methods of billing and tracking time
- Employ practice tools to avoid conflicts and missed deadlines
- Research both time-efficiently and cost-effectively

Continuing Legal Education (CLE)

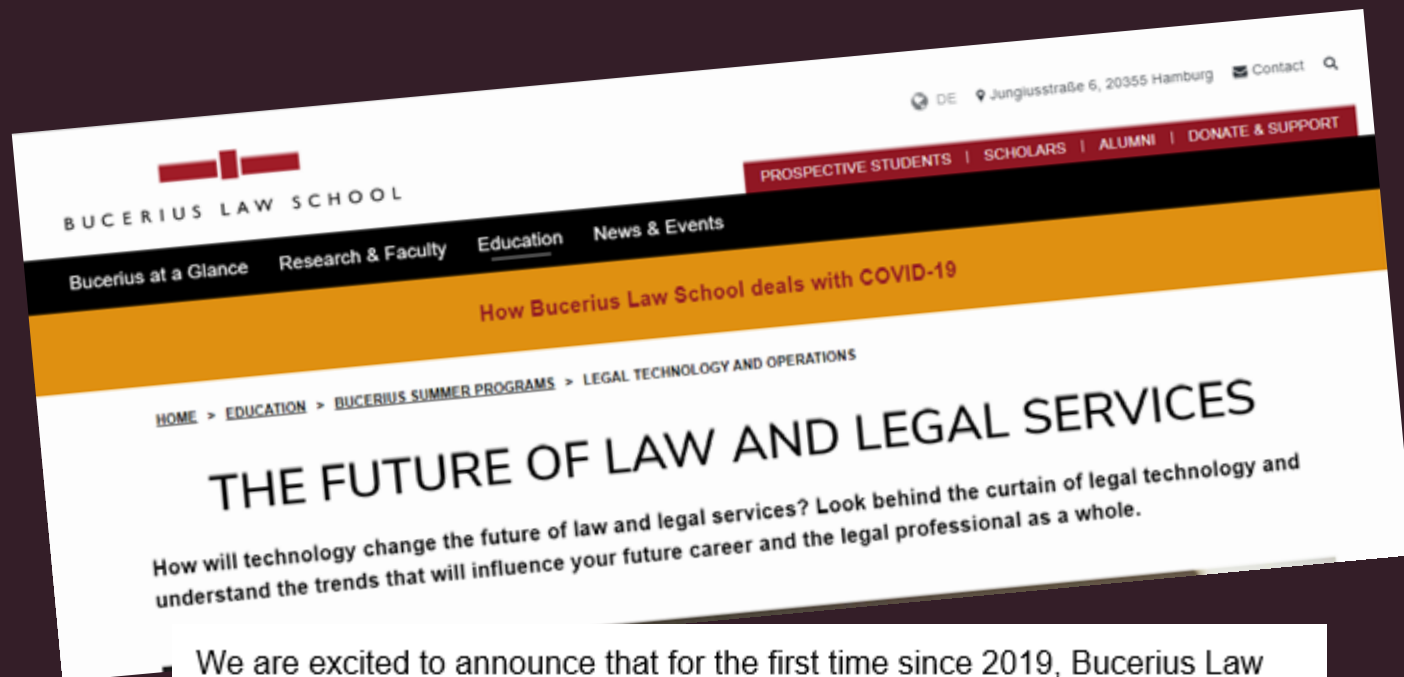

- Bar requirement and Florida required technology credit
